You are solely responsible for paying such fees. In addition, you must provide all equipment necessary to make such Internet connection, including a computer and modem or other access device. You are solely responsible for providing such equipment. You acknowledge and agree that while ProTrea may not currently have set a fixed upper limit on the number of transmissions you may send or receive through the Services or on the amount of storage space used for the provision of any Service, such fixed upper limits may be set by ProTrea at any time, at ProTrea's discretion.

You may stop using the Services at any time. You do not need to specifically inform ProTrea when you stop using the Services unless you are requesting closure of your account. ProTrea assumes no responsibility for the use of Services outside of these Terms or other applicable terms.

#### **4. Risks and Considerations Regarding ProTrea Service**

Once you obtain your information, the knowledge is irrevocable. You should not assume that any information we may be able to provide to you, whether now or as our research advances, will be welcome or positive. You should also understand that as research advances, in order for you to assess the meaning of your sample data in the context of such advances, you may need to obtain further services from ProTrea or from your physician or other health care provider. You may learn information about yourself that you do not anticipate. This information may evoke strong emotions and has the potential to alter your life and worldview. You may discover things about yourself that trouble you and that you may not have the ability to control or. These outcomes could have social, legal, or economic implications. The laboratory may not be able to process your sample, and the laboratory process may result in errors. The laboratory may not be able to process your sample if your sample does not contain a sufficient material, or the results from processing do not meet our standards for accuracy. If the initial processing fails for any of these reasons, ProTrea will reprocess the same sample at no charge to you.

Even for processing that meets our high standards, a small, unknown fraction of the data generated during the laboratory process may be un-interpretable or incorrect (referred to as "Errors"). As this possibility is known in advance, users are not entitled to refunds where these Errors occur. You should not change your health behaviors solely on the basis of information from ProTrea. Make sure to discuss your information with a physician or other health care provider before you act upon your information or other information that we provide. For most common diseases, the genes we know about are only responsible for a small fraction of the risk. There may be unknown genes, environmental factors, or lifestyle choices that are far more important predictors. If your information indicates that you are not at elevated microbiome risk for a particular disease or condition, you should not feel that you are protected. The opposite is also true; if your information indicates that you are at an elevated risk for a particular disease or condition, it does not mean you will definitively develop the disease or condition. In either case, if you have concerns or questions about what you learn through ProTrea, you should contact your physician or other health care provider.

Our research is not comprehensive. While we measure many hundreds of thousands of data points from your microbiome, only a small percentage of them are thought to be related to human traits or health conditions. The research community is rapidly learning more about the microbiome, and an important mission of ProTrea is to conduct and contribute to this research. In addition, many ethnic groups are not included in microbiome studies. Because interpretations provided in our service rely on these

published studies, some interpretations may not apply to you. Future scientific research may change the interpretation of your microbiome. In the future, the scientific community may show previous research to be incomplete or inaccurate. Information you share with others could be used against your interests. You should be careful about sharing your information with others. Currently, very few businesses or insurance companies request microbiome information, but this could change in the future. You may want to consult a lawyer to understand the extent of legal protection of your information before you share it with anybody.

Furthermore, information that you choose to share with your physician or other health care provider may become part of your medical record and through that route be accessible to other health care providers and/or insurance companies in the future. The information that you share with family, friends or employers may be used against your interests. Even if you share our information that has no or limited meaning today, that information could have greater meaning in the future as new discoveries are made. If you are asked by an insurance company whether you have learned the information about health conditions and you do not disclose this to them, this may be considered to be fraud. The Services are for research, informational, and educational use only. We do not provide medical advice. The information provided by ProTrea is for research, informational, and educational use only.

This means two things. First, many of the discoveries that we report have not been clinically validated, and the technology we use, which is the same technology used by the research community, to date has not been widely used for clinical testing. Second, in order to expand and accelerate the understanding and practical application of microbiome knowledge in health care, we invite all genotyped users to participate in ProTrea research. Participation in such research is voluntary and based upon a consent document approved by an institutional review board (a committee established to review and approve biomedical research). As a result of the current state of microbiome knowledge and understanding, our Services are for research, informational, and educational purposes only. The Services are not intended to be used by you for any diagnostic purpose and are not a substitute for professional medical advice. You should always seek the advice of your physician or other health care provider with any questions you may have regarding diagnosis, cure, treatment, mitigation, or prevention of any disease or other medical condition or impairment or the status of your health. ProTrea does not recommend or endorse any specific course of action, resources, tests, physician or other health care providers, drugs, biologics, medical devices or other products, procedures, opinions, or other information that may be mentioned on our website. As explained on our website, ProTrea believes that:

- a. microbiomes are only part of the picture of any individual's state of being,
- b. the state of the understanding of microbiome information is rapidly evolving and at any given time we only comprehend part of the picture of the role of microbiomes, and

- c. only a trained physician or other health care provider can assess your current state of health or disease, taking into account many factors, including in some cases your microbiomes as well as your current symptoms, if any.

Reliance on any information provided by ProTrea, ProTrea employees, others appearing on our website at the invitation of ProTrea, or other visitors to our website is solely at your own risk. The samples collected of your microbiome are may contain human material, but are not tested or processed to detect or analyze human material, and are treated accordingly.

Orders may not be accepted for delivery to certain addresses and territories based upon your location. We may contact you (via email or phone) if additional information is required to accept and process your order. In valid order information may result in delays processing your order. For purchases or any kits or other items purchased by you or which we ship to you in connection with the Services (“Products”), your receipt of an order confirmation does not constitute ProTrea’s acceptance of your order. Without prior notification, ProTrea maintains the right to limit the Product order quantity and the right to refuse to sell Products to any customer for any reason or no reason at all. - d. Offers. You acknowledge and agree that any offers made available through the Service are subject to change at any time and from time to time.
- e. Shipping. We will ship Products via the shipping method of our choice, on such other terms and conditions (such as applicable shipping and handling fees) that we may disclose to you at the time of your purchase. We do not guarantee the services of any shipping service, and delivery dates and times are estimates and are not guaranteed. We will, however, use commercially reasonable efforts to dispatch the Product to you as soon as reasonably possible after you place your order. During busy times, such as holiday periods and periods of inclement weather, there may be additional processing and shipping delays. You agree to not hold ProTrea liable for any shipping issues. Most package carriers have a

short time frame in which to initiate claims. We recommend that you inspect your package for damage immediately upon arrival. If there is a problem, contact the delivery service immediately to resolve any problems. Unless otherwise provided by notice from ProTrea, all Products are shipped F.O.B. from any place we designate the Products to leave. At our discretion, we may choose to halt, or alter, the delivery of an order, even though it is in the hands of a delivery agent or shipping company. We may do this as a customer service or in cases where we suspect fraud. You agree to pay any additional charges that may arise to do circumstances in which we take such action.

- f. Returns. ProTrea will provide refunds for Products purchased through the Service solely in accordance with our Return Policy [\[link\]](#).

### **19. Third-Party Links and Services on the ProTrea Website**

The Service provides, and third parties may provide, links to other websites, services and resources. Because ProTrea has no control over such sites and resources, you acknowledge and agree that ProTrea is not responsible for the availability of such external sites, services or resources, and does not endorse and is not responsible or liable for any content, advertising, products, or other materials on or available from such sites or resources. These links are provided solely for user's information and convenience. You further acknowledge and agree that ProTrea shall not be responsible or liable, directly or indirectly, for any damage or loss caused or alleged to be caused by or in connection with use of or reliance on any such content, goods, or services available on or through any such hyperlinked site or resource.

When users select a link to an external, or third party website, they are leaving ProTrea's website and are subject to the privacy and security policies of the owners/sponsors of the external, or third party website. It is important for users to take necessary precautions, especially to ensure appropriate safety from viruses, worms, Trojan horses and other potentially destructive items. ProTrea does not endorse, recommend or make representations with respect to the content or the use of such external, or third party websites. ### **20. ProTrea's Proprietary Rights**

You acknowledge and agree that except for your User Content and your information, ProTrea (or ProTrea's licensors, as applicable) own all legal right, title, and interest in and to the Service and all materials therein or transferred thereby, including, without limitation, software, images, text, graphics, illustrations, logos, patents, trademarks, service marks, copyrights, photographs, audio, videos, music and User Content belonging to other users (whether those rights happen to be registered or not, and

wherever in the world those rights may exist). You further acknowledge that the Services may contain information which is designated confidential by ProTrea and that you shall not disclose such information without ProTrea's prior written consent. You further acknowledge and agree that the Services and any necessary software used in connection with the Services ("Software") contain proprietary and confidential information that is protected by applicable intellectual property and other laws. You further acknowledge and agree that information presented to you through the Services or sponsors is protected by copyrights, trademarks, service marks, patents, or other proprietary rights and laws. Except as expressly authorized by ProTrea, you agree not to-and not to permit anyone else to-modify, rent, lease, loan, sell, distribute, or create derivative works of, reverse engineer, decompile, or otherwise attempt to extract the source code of the Services or Software or any part thereof, in whole or in part. Software, if any, that is made available to download from the Services, excluding software that may be made available by end-users through the Services, is the copyrighted work of ProTrea and/or its suppliers. Your use of the Software is governed by the terms of the end user license agreement, if any, which accompanies or is included with the Software ("License Agreement"). You may not install or use any Software that is accompanied by or includes a License Agreement unless you first agree to the License Agreement terms. ProTrea, LLC., ProTrea, and other ProTrea logos and product and service names are trademarks of ProTrea and these marks together with any other ProTrea trade names, service marks, logos, domain names, and other distinctive brand features are the "ProTrea Marks". Unless you have agreed otherwise in writing with ProTrea, other than through the limited license in Section 9, nothing in these Terms gives you a right to use any ProTrea Marks and you agree not to display, or use in any manner, ProTrea Marks. You agree that you shall not remove, obscure, or alter any proprietary rights notices (including copyright and trade mark notices) that may be affixed to or contained within the Services. Unless you have been expressly authorized to do so in writing by ProTrea, you agree that in using the Services, you will not use any trade mark, service mark, trade name, logo of any company or organization in a way that is likely or intended to cause confusion about the owner or authorized user of such marks, names, or logos. For any Software not accompanied by a License Agreement, ProTrea grants you a personal, non-transferable, and non-exclusive right and license to use the object code of its Software on a single computer. You may not (and may not allow any third party to) copy, modify, create a derivative work of, reverse engineer, reverse assemble, or otherwise attempt to discover any source code, sell, assign, sublicense, grant a security interest in, or otherwise transfer any right in the Software unless this is expressly permitted or required by law, or unless you have been specifically told that you may do so by ProTrea, in writing. This license is for the sole purpose of enabling you to use and enjoy the benefit of the Services as provided by ProTrea, in the manner permitted by these Terms. Unless ProTrea has given you specific written permission to do so, you may not assign (or grant a sublicense of) your rights to use the Software, grant a security interest in or over your rights to use the Software, or otherwise transfer any part of your rights to use the Software. You agree not

to modify the Software in any manner or form, or to use modified versions of the Software, including (without limitation) for the purpose of obtaining unauthorized access to the Service. You agree not to access the Service by any means other than through the interface that is provided by ProTrea for use in accessing the Service. Any rights not expressly granted herein are reserved.

You may choose to or we may invite you to submit comments or ideas about the Service, including without limitation about how to improve the Service or our products ("Ideas"). THE FOREGOING LIMITATION OF LIABILITY SHALL APPLY TO THE FULLEST EXTENT PERMITTED BY LAW IN THE APPLICABLE JURISDICTION.

SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU. The Service is controlled and operated from facilities in the United States. ProTrea makes no representations that the Service is appropriate or available for use in other locations. Those who access or use the Service from other jurisdictions do so at their own volition and are entirely responsible for compliance with all applicable United States and local laws and regulations, including but not limited to export and import regulations. You may not use the Service if you are a resident of a country embargoed by the United States, or are a foreign person or entity blocked or denied by the United States government. Unless otherwise explicitly stated, all materials found on the Service are solely directed to individuals, companies, or other entities located in the United States.

### **23. Notice**

Notices to you may be made via either email or regular mail. ProTrea may also provide notices of changes to these Terms or other matters by displaying notices or links to notices to you generally on or through the Services. Official notices related to these Terms must be sent to us at:

ProTrea, LLC.

ATTN: Privacy and Security Officer,

1116 20th Street South,

Suite 102,

Birmingham, AL 35205

Additionally, ProTrea accepts service of process at this address. Any notices that you provide without compliance with this section on Notices shall have no legal effect.

### **24. Changes to these Terms**

ProTrea may make changes to these Terms from time to time. When these changes are made, ProTrea will make a new copy of these Terms available on its website and any new additional terms will be made available to you from within, or through, the affected Services. You acknowledge and agree that if you use the Services after the date on which these Terms have changed, ProTrea will treat your use as acceptance of the updated Terms.

### **25. Violation or Suspected Violation of these Terms**

If you violate the terms of these Terms and/or ProTrea has a reasonable ground to suspect that you have violated the terms of these Terms, ProTrea has the right to suspend or terminate your account and refuse any and all current or future use of the Services (or any portion thereof).

### **26. Governing Law, Arbitration, and Class Action/Jury Trial Waiver**

a. *Governing Law.* You agree that: (i) the Service shall be deemed solely based in Alabama; and (ii) the Service shall be deemed a passive one that does not give rise to personal jurisdiction over us, either specific or general, in jurisdictions other than Alabama. These Terms shall be governed by the internal substantive laws of the State of Alabama, without respect to its conflict of laws principles. The parties acknowledge that these Terms evidence a transaction involving interstate commerce. Notwithstanding the preceding sentences with respect to the substantive law, any arbitration conducted pursuant to the terms of these Terms shall be governed by the Federal Arbitration Act (9 U.S.C. §§ 1-16). The application of the United Nations Convention on Contracts for the International Sale of Goods is expressly excluded. You agree to submit to the personal jurisdiction of the federal and state courts located in Jefferson County, Alabama for any actions for which we retain the right to seek injunctive or other equitable

relief in a court of competent jurisdiction to prevent the actual or threatened infringement, misappropriation or violation of our copyrights, trademarks, trade secrets, patents, or other intellectual property or proprietary rights, as set forth in the Arbitration provision below, including any provisional relief required to prevent irreparable harm. You agree that Jefferson County, Alabama is the proper forum for any appeals of an arbitration award or for trial court proceedings in the event that the arbitration provision below is found to be unenforceable.

*b. Arbitration.* READ THIS SECTION CAREFULLY BECAUSE IT REQUIRES THE PARTIES TO ARBITRATE THEIR DISPUTES AND LIMITS THE MANNER IN WHICH YOU CAN SEEK RELIEF FROM PROTREA. For any dispute with ProTrea, you agree to first contact us at [info@protrea.com](mailto:info@protrea.com) and attempt to resolve the dispute with us informally. In the unlikely event that ProTrea has not been able to resolve a dispute it has with you after sixty (60) days, we each agree to resolve any claim, dispute, or controversy (excluding any claims for injunctive or other equitable relief as provided below) arising out of or in connection with or relating to these Terms, or the breach or alleged breach thereof (collectively, "Claims"), by binding arbitration by JAMS, under the Optional Expedited Arbitration Procedures then in effect for ???, except as provided herein. The arbitration will be conducted in Jefferson County, Alabama, unless you and ProTrea agree otherwise. If you are using the Service for commercial purposes, each party will be responsible for paying any ??? filing, administrative and arbitrator fees in accordance with ??? rules, and the award rendered by the arbitrator shall include costs of arbitration, reasonable attorneys' fees and reasonable costs for expert and other witnesses. If you are an individual using the Service for non-commercial purposes: (i) ??? may require you to pay a fee for the initiation of your case, unless you apply for and successfully obtain a fee waiver from ???; (ii) the award rendered by the arbitrator may include your costs of arbitration, your reasonable attorney's fees, and your reasonable costs for expert and other witnesses; and (iii) you may sue in a small claims court of competent jurisdiction without first engaging in arbitration, but this does not absolve you of your commitment to engage in the informal dispute resolution process. Any judgment on the award rendered by the arbitrator may be entered in any court of competent jurisdiction. Nothing in this Section shall be deemed as preventing ProTrea from seeking injunctive or other equitable relief from the courts as necessary to prevent the actual or threatened infringement, misappropriation, or violation of our data security, Intellectual Property Rights or other proprietary rights.

*c. Class Action/Jury Trial Waiver.* WITH RESPECT TO ALL PERSONS AND ENTITIES, REGARDLESS OF WHETHER THEY HAVE OBTAINED OR USED THE SERVICE FOR PERSONAL, COMMERCIAL OR OTHER PURPOSES, ALL CLAIMS MUST BE BROUGHT IN THE PARTIES' INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS

ACTION, COLLECTIVE ACTION, PRIVATE ATTORNEY GENERAL ACTION OR OTHER REPRESENTATIVE PROCEEDING. THIS WAIVER APPLIES TO CLASS ARBITRATION, AND, UNLESS WE AGREE OTHERWISE, THE ARBITRATOR MAY NOT CONSOLIDATE MORE THAN ONE PERSON'S CLAIMS. YOU AGREE THAT, BY ENTERING INTO THESE TERMS, YOU AND PROTREA ARE EACH WAIVING THE RIGHT TO A TRIAL BY JURY OR TO PARTICIPATE IN A CLASS ACTION, COLLECTIVE ACTION, PRIVATE ATTORNEY GENERAL ACTION, OR OTHER REPRESENTATIVE PROCEEDING OF ANY KIND.

## **27. Miscellaneous**

- a. Entire Agreement.* These Terms constitute the entire agreement between you and ProTrea and govern your use of the Services, superseding any prior agreements between you and ProTrea on this subject. You also may be subject to additional terms and conditions that may apply when you use affiliate services, third-party content, or third-party software.
- b. Waiver.* The failure of ProTrea to exercise or enforce any right or provision of these Terms shall not constitute a waiver of such right or provision. If any provision of these Terms is found by a court of competent jurisdiction to be invalid, the parties nevertheless agree that the court should endeavor to give effect to the parties' intentions as reflected in the provision, and the other provisions of these Terms remain in full force and effect.
- c. Term for cause of action.* You agree that regardless of any statute or law to the contrary, any claim or cause of action arising out of or related to use of the Services or these Terms must be filed within one (1) year after such claim or cause of action arose or be forever barred.
- d. Admissibility of printed version.* A printed version of these Terms and of any notice given in electronic form shall be admissible in judicial or administrative proceedings based upon or relating to these Terms to the same extent and subject to the same conditions as other business documents and records originally generated and maintained in printed form.
- e. Section titles.* The section titles in these Terms are for convenience only and have no legal or contractual effect.
- f. Severability Clause.* If any portion of these Terms is found to be unenforceable, the remaining portion will remain in full force and effect.
- g. Assignment.* You may not assign or delegate any rights or obligations under these Terms. Any purported assignment and delegation shall be ineffective. We may freely assign or delegate all rights and obligations under these Terms, fully or partially without notice to you. We may also substitute, by way of unilateral novation, effective upon notice to you, ProTrea for any third party that assumes our rights and obligations under these Terms.
